DAVID MARQUEZ

PROGRAMMER TRAINEE/JR

PROFILE

Hi, I'm David, I'm 24 years old and I live in Buenos Aires, Argentina. I am a self-taught programmer excited to start his first work experience and grow to be able to meet my goals. Currently, I am growing academically to be able to be a professional programmer and also be a native bilingual in English, to be able to communicate with people from other countries and learn as much as I can from them!
